#### MINISTRY OF MINES AND METALS

Indian Bureau of Mines

Nagpur, the 30th November 1966

No. 287(24)/Dio./66.—In exercise of the powers conferred by the Rule 23 of the Mineral Conservation and Development Rules, 1958, and having prior approval of the Central Government the following Directives are being issued to Mica Mine owners in the State of Bihar.

1. Prepare surface plan showing the following features :
  - (a) All operating and abandoned workings.
  - (b) All shafts, pits and trenches and other exploratory excavations.
  - (c) All pegmatities outcropping or exposed in the exploratory excavations.

The plan should cover the entire lease hold area and in case the lease is for more than one block, there should be a separate plan for each block. The plan should be maintained on the same scale as mentioned in Rule 60 of the Metalliferous Mines Regulations, 1961.

2. Prepare underground geological plan, level-wise, on the same scale on which mine plans are maintained in accordance with the Metaliferous Mines Regulation, 1961, showing therein the following features :

- (a) The contact of the pegmatite and the wall rocks, wherever it has been exposed and the inferred contacts (by dotted lines) in between such exposures;
- (b) The width and attitudes of the mica veins or zones within the pegmatite. If there are more than one vein of mica in any pegmatite, then different veins should be coloured separately. In case of thin mica veins, less than 20 cms. in thickness, the same may be shown by a single line indicating the thickness alongside.

3. Prepare longitudinal section of all underground working mines, on the same scale as (2) above, showing therein any other developments with the outlines of all stope out areas.

4. Prepare transverse sections, every 30 metres along the strike which should show the following features falling on such section lines.

- (a) All drives, cross-cuts and winzes or raises.
- (b) The pegmatite and the contact with the wall rock showing dip of the contact in the direction of the section.
- (c) All veins of mica with their attitude in the horizon of roof of drives and their inferred continuity from level to level.

5. Maintain a plan in which quantity of crude mica recovered in drives, cross-cuts, winzes and raises will be shown. In case of drives the quantity of crude mica recovered over 6 metres length shall be recorded at every 6 metres on the plan. In case of pegmatities having dip exceeding 30 degrees the recovery from raises and winzes may be shown in transverse sections.

6. All the above plans and sections should be prepared and submitted within a period of six months from the date of issue of these directives. These plans and sections should be brought up to date every three months.

7. Copies of these plans and sections should be submitted every year to the Regional Controller of Mines, Indian Bureau of Mines, P-21, Mission Row Extension, Calcutta, and the Chief Mining Officer, Deptt. of Mines and Geology, Bihar, Patna before 1st March of each year or the copies of plans and sections already submitted as per these directives, may be brought up to date every year at their own expense.

8. All the above plans and sections should be signed and dated by a person having the qualifications as stipulated in Rule 21 of the Mineral Conservation and Development Rules 1958, and should bear the signature, name and qualification of the person who prepared them with the date of completion.

9. The dimension of any drive shall not exceed 2.5 metres in height. Widths of winzes shall not exceed 2.5 metres except where they may be used for haulage or manway where the minimum width will be in accordance with the Mines Act or Rules and orders made thereunder. The distance between winzes (centre to centre) shall not be less than 8 metres. Provided, under exceptional circumstances viz., peculiar behaviour of mica veins or zones, occurrence of close parallel lodes, probing nature and extent of mica shoot(s), structural or physical disturbances in the deposit, or such other conditions, driving of winzes and raises at lesser intervals may be permitted and such requests should be notified to the Controller, Indian Bureau of Mines and the Regional Controller of Mines by the owner agent or manager at least two weeks before commencement of such operations.

These directives shall come into force from the date of issue.

#### ORDER

1. ORDERED that these directives to Mines owners be published in the Gazette of India for general information of the Mine Owners.
2. ORDERED also that a copy of the directives be communicated to the Mica Mine Owners in the State of Bihar.

G. V. D. UPADHYAYA  
Controller,  
Indian Bureau of Mines
